The Biscuit and 2 Eggs Platter is a local favorite, serving up warm, fluffy biscuits paired with perfectly cooked eggs. You can customize your eggs to your liking-scrambled, sunny-side up, or however you prefer. Another great option is the Two Pancakes Platter, offering a stack of light, golden pancakes served with syrup and butter, a delicious and filling choice for those with a sweet tooth in the morning. If French toast is more your style, the Three Piece French Toast will surely satisfy. The thick

slices of toast, cooked to perfection and dusted with a hint of powdered sugar, create a perfect balance of sweetness and comfort.

For those looking to personalize their breakfast a bit more, the Build a Bowl option is perfect. You can choose from a variety of toppings and ingredients to craft the bowl of your dreams, making it as light or hearty as you wish. Whether you're craving something fresh and healthy or something more indulgent, the Build a Bowl option will cater to your taste buds.

And of course, no breakfast is complete without a side, and Suncatcher Cafe has you covered. The Hash Browns are crispy on the outside and tender on the inside, making them the perfect companion to any breakfast dish. If you're craving a taste of the South, the Grits are a must-try. Creamy and savory, they're the perfect addition to your meal for a taste of comfort food at its finest.
